Dear Mr. Weisberg,

Enclosed are stories about:

1.- What Ed Redditt said in Closed testimony March 22.

2.- A Criminal Appeals Court Judge (who is subject to ouster charges), says Ray deserves a New Trial.

P.S. Larry Flynt's 48 page Tabloid on JFK's murder is on sale up here. It's sensationalistic. Among many things printed, - the receipt signed by Sibert & O'Neill & a missile manufacturer. [illegible]
- William S. Walter's telegram message at New Orleans FBI office of threat to Kennedy.

Best Wishes,

Barbara Godwin Finley
